Date: 30.06.02

To: Mr. A. Babaei,  
Managing Director of  
Mahab Ghodss Consulting Engineers

Dear Mr. Babaei,

As the engineering survey at the Bushehr NPP Unit 2 Site has come to the finalizing stage, the Russian Contractor (ASE/AEP) releases the acknowledgements and gratefulness to the Iranian Company Mahab Ghodss Consulting Engineers for the collaboration in the above project, and personally to Mr. A. Mahdavian, Bushehr NPP Project Manager, acting on behalf of Mahab Ghodss Company, for perfect managing of the group of Iranian specialists, provided a qualitative and on-time fulfillment of the scheduled studies.

A confirmation to that is a successful defense of the Final Report on the results of jointly performed supplementary engineering geological survey of the Bushehr NPP Unit 2 Site with the International Atomic Energy Agency (IAEA), held in April 2002 in Moscow.

Faithfully Yours,

V.K. Dontsov  
Manager of ASE Representative Office in Iran
